

REPUBLIC OF THE PHILIPPINES

REGIONAL DEVELOPMENT COUNCIL  
DAVAO REGION

## MESSAGE

My sincerest gratitude to all National Government Agencies (NGAs), Government-owned and Controlled Corporations (GOCCs), State Universities and Colleges (SUCs), Local Government Units (LGUs) and private sectors that actively took part in the preparation of the FY 2023 Annual Investment Program (AIP) for Davao Region.

As you may know, FY 2023 will be the first year of the new Administration of the National Government. Pending the issuance of the new directives from the incoming Administration, the FY 2023 AIP shall take off from the Davao Regional Development Plan (DRDP), Regional Development Investment Plan (RDIP), and Result Matrices (RMs), 2017-2022 Midterm Update, which shall be updated once the RDC XI-approved DRDP, RDIP, and RMs 2023-2028 are completed.

With the Regional Development Investment Program (RDIP) serving as a guide for public investments, Davao Region will continue to fulfill its commitment to lay a strong foundation for inclusive growth, a high trust and resilient society and a globally competitive knowledge economy by operationalizing the development strategies, namely: (1) enhancing the moral and social fabric, (2) reducing inequality, and (3) increasing the potential growth of the economy. The FY 2023 AIP embodies, in concrete terms, our resolve to attain our collective goal of realizing the Region's annual priority development thrusts laid down in the DRDP.

In view of the Supreme Court (SC) ruling on the Mandanas-Garcia petitions which shall substantially increase the National Tax Allotment (NTA) of the LGUs beginning 2022 and Executive Order No. 138, series of 2021; which provide for the full devolution of certain functions of the Executive Branch to the local governments, the Region's FY 2023 AIP shall aid the Local Government Units (LGUs) in preparing/updating their respective Local Development Investment Programs (LDIP) for FY 2023 and develop their capabilities to better deliver basic social services and critical facilities to their constituents, as well as, increase productivity, employment and promote local economic growth.

The RDC XI shall ensure the optimization of government financial resources, avoid duplication of PAPs, promote complementation of efforts among implementing National Government agencies and LGUs, and ensure alignment of PAPs with the RDP and its RMs.

Moreover, the RDC XI shall vigorously push for the realization of our proposed capital investments through various financing mechanisms, be it through national or local government funding, public-private partnerships (PPP), official development assistance (ODA),

among other means. Thus, I enjoin all our development partners from the national and local governments, civil society organizations, academe, and industry players to be active participants in our Region's pursuit towards the achievement of our development outcomes.

**GOVERNOR JAYVEE TYRON L. UY, MPA**  
RDC XI Chairperson and  
Governor, Province of Davao de Oro
